

Current cost is £10 per session to assist with running costs. costs—this is heavily subsidized by our charity status.

Woodfield ASC currently runs four evenings per week, between 3:30pm and 5:25pm. Pupils attend straight after school, receive a snack and drink, then after two hours of fun are collected by parents/careers by 5:25pm.

ASC is currently available to all pupils from Class 3 and up attending Woodfield School. Places are offered termly, in order that we can employ people to take account of safe staffing levels, but parents can ask if there are vacancies at any time. Different clubs run each evening to cater for children of different ages and interests. This means that each child can attend up to two evenings per week.
