Dear Parents,

In November the National Autistic Society (NAS) are conducting a three day visit of Woodfield School as part of our accreditation process, during which, families have the opportunity to help provide a picture of what happens at Woodfield School.

It is important to get the views of those with autism. The NAS have, understandably, requested that this be *'completed by the autistic person or with support. Where possible the person who helps the autistic person to complete the questionnaire should be independent from the school or service being assessed.'* The link for their input is:

Equally, it is important to get the view of families and carers. If you would like to contribute and give your input to this process, then please use the link below:

These forms must be completed by 5<sup>th</sup> November and the questionnaires cannot be completed after that date. A copy of this letter will also be put up on the website for your information.

Yours sincerely,

**Dave Ferguson**  
**Deputy Head**
