Woodfield School

Child Protection Policy

Date: Spring 2019

Review Date: October 2019

CHILD PROTECTION POLICY

This policy will be reviewed in full by the Governing Body annually.

Signature (Headteacher) *Em Wace*

Signature (Chair of Governors) *Kate Wade* Date 11/3/19

1. INTRODUCTION

PURPOSE OF A CHILD PROTECTION POLICY

To inform staff, parents and governors about the school's responsibilities concerning safeguarding children, and to enable everyone to have a clear understanding of how these responsibilities are carried out.

Woodfield School follows the procedures established by the Hertfordshire Safeguarding Children Board; a guide to procedure and practice for all agencies in Hertfordshire working with children and their families.

<http://hertsscb.proceduresonline.com/index.htm>

At Woodfield School we recognise the important role the school has in the early recognition of the signs and symptoms of abuse or neglect. Through daily contact with pupils, teachers and other school staff are particularly well-placed to observe outward signs of abuse, changes in behaviour and failure to develop.

Whilst we recognise safeguarding incidents could happen anywhere, staff must be alert to possible concerns being raised in this school, and act appropriately.

Please read this Safeguarding Policy in conjunction the following policies:

- Physical Intervention
- Educational Visits (Offsite)
- Intimate Care
- e-Safety
- Whistle Blowing

MISSION STATEMENT

Woodfield School is concerned about the welfare and safety of all its pupils and attempts to create an ethos in which pupils feel secure, valued, listened to and are taken seriously. We will:

- Establish and maintain an environment where children feel safe and secure, are encouraged to talk and are listened to when they have concerns.
- Establish and maintain an environment where school staff and volunteers feel safe, are encouraged to talk and are listened to when they have concerns about the safety and wellbeing of a child.
- Ensure children know that there are adults in the school whom they can approach if they are worried.
- Ensure that children who have additional needs will be supported appropriately. This could include referral to early help services or specialist services if they are a child in need or have been/are at risk of being abused and neglected.
- Teach children about safeguarding, including online, taking into account their level of understanding. As part of a broad and balanced curriculum, opportunities will be taken through the Computing and PSHE curriculum for children to develop the skills they need to recognise and stay safe from abuse are include.
- Staff members working with children are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child.

SCHOOL STAFF AND VOLUNTEERS

All school staff have a responsibility to provide a safe environment in which children can learn.

Disclosure and Barring Service (DBS) checks are undertaken for all staff including those on a temporary contract, professional students, for example those on work/college experience, and volunteers (in school on a regular basis). School students (under 18) are not left unsupervised.

School staff and volunteers are particularly well placed to observe outward signs of abuse, changes in behaviour and failure to develop because they have daily contact with children.

All school staff will receive appropriate safeguarding children training. This consists of an annual refresher delivered by the school's Safeguarding team and a three-year update through the Hertfordshire Safeguarding Children Board. This helps to ensure that they are knowledgeable and aware of their role in the early recognition of the indicators of abuse or neglect and of the appropriate procedures to follow. In addition, all staff members should receive safeguarding and child protection updates (through staff meetings) to provide them with relevant skills and knowledge to safeguard children effectively.

Temporary staff and volunteers will be made aware of the safeguarding policies and procedures by the Designated Senior Person-including Child Protection Policy and staff behaviour policy (code of conduct)

All members of the Senior Leadership Team, all teachers and Nursery Nurses who were employed at February 2015 have received PREVENT training by an authorised trainer. Information can be found in the Safeguarding file and on the Single Central Record.

IMPLEMENTATION AND MONITORING

The policy will be reviewed at least annually by the governing body. It will be implemented through Woodfield school's induction and training programme, and as part of day to day practice. Compliance with the policy will be monitored by the Designated Senior Person as well as Deputy Designated Senior Persons and through staff performance measures.

2. STATUTORY FRAMEWORK

Working Together to Safeguard Children (DfE 2015) requires all schools to follow the procedures for protecting children from abuse which, for our area, are established by the Hertfordshire Safeguarding Children Board.

Schools are also expected to ensure that they have appropriate procedures in place for responding to situations in which they believe that

- i) a child may have been abused or are at risk of abuse or neglect
- ii) a member of staff is accused of/or has behaved in a way that may have harmed a child or indicates they would pose a risk of harm.

'Keeping Children Safe in Education' (Sept 2016) places the responsibilities on the school to act in accordance with the following legislation and guidance:

- The Children Act 1989
- The Children Act 2004
- Children and Social Work Act 2017
- Education Act 2002 (Section 175/157)
- Hertfordshire Safeguarding Children Board Procedures Manual (Electronic)
- Keeping Children Safe in Education (DfE, September 2018)
- Keeping Children Safe in Education: Part One- information for all school staff (DfE, September 2018) – APPENDIX 1
- Working Together to Safeguard Children (DfE 2018)
- The Education (Pupil Information) (England) Regulations 2005
- Sexual Offences Act (2003)
- Section 26, The Counter Terrorism and Security Act 2015 (PREVENT duty)
- Female Genital Mutilation Act 2003 (Section 74, Serious Crime Act 2015)
- Anti-social Behaviour, Crime and Policing Act 2014 (makes it a criminal offence to force someone to **marry**. **Includes** taking someone overseas to force them to **marry** (whether or not the **forced marriage** takes place).

- Staff should be alert to signs of abuse and know to whom they should report any concerns or suspicions
- Schools should have procedures (of which all staff are aware) for handling suspected cases of abuse of pupils, including procedures to be followed if a member of staff is accused of abuse, or suspected of abuse
- Designated Safeguarding Lead should have responsibility for co-ordinating action within the school and liaising with other agencies
- Staff will receive annual update training whilst the designated safeguarding lead should undergo updated child protection training every two years

Keeping Children Safe in Education (DfE 2018) states that the governing body will ensure that the school contributes to multi-agency working in line with statutory guidance Working together to safeguard children.

Furthermore, it also states that the governing body will ensure that their safeguarding arrangements take into account the procedures and practice of the local authority as part of inter-agency safeguarding procedures set up by the Local Safeguarding Children's Board (LSCB).

3. THE DESIGNATED SAFEGUARDING LEAD

At Woodfield School the **Designated Safeguarding Lead (DSP)** for Child Protection is **Ian Burgess**, the Deputy Headteacher.

The **Deputy DSPs** are **Dave Ferguson**, Deputy Headteacher/Autism Manager and **Samantha Drury**, Assistant Head/SENCo. Together, the DSP and Deputy DSPs for the Safeguarding Team. Their role is to:

- **Managing referrals and cases**
 - Refer all cases of suspected abuse or neglect to the Local Authority Children's Services (Safeguarding and Specialist Services) , Police (cases where a crime may have been committed) and to the Channel programme where there is a radicalisation concern
 - Liaise with the Head Teacher or Principal to inform him/ her of issues- especially ongoing enquiries under Section 47 of the Children Act 1989 and police investigations
 - Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies
 - Support staff who make referrals
 - Share information with appropriate staff in relation to a child's looked after (CLA) legal status (whether they are looked after under voluntary arrangements with consent of parents or on an Interim Care Order or Care Order) and contact arrangements with birth parents or those with parental responsibility.
 - Ensure they have details of the CLA's social worker and the name of the virtual school Head Teacher in the authority that looks after the child.

➤ Training

The Designated Senior Person should undergo formal training every two years . The DSP should also undertake Prevent awareness training in addition to this training, their knowledge and skills should be refreshed (for example via e-bulletins, meeting other DSPs, or taking time to read and digest safeguarding developments) at least annually to:

1. Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments
2. Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so
3. Ensure each member of staff has access to and understands the school's safeguarding and child protection policy and procedures, especially new and part time staff
4. Be alert to the specific needs of children in need, those with special educational needs and young carers
5. Understand and support the school with regards to the requirements of the Prevent duty and are able to provide advice and support to staff on protecting children from the risk of radicalisation
6. Be able to keep detailed, accurate, secure written records of concerns and referrals
7. Obtain access to resources and attend any relevant or refresher training courses
8. Encourage a culture of listening and responding to children and taking account of their wishes and feelings, among all staff, in any measures the school may put in place to protect them

➤ Raising Awareness

- The designated safeguarding person should ensure the school policies are known, understood and used appropriately.
- Ensure the school's safeguarding and child protection policies are reviewed annually and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors regarding this.
- Ensure the safeguarding and child protection policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school in this.
- Link with the LSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding.
- Where children leave the school, ensure the file for safeguarding and any child protection information is sent to any new school/college as soon as possible but transferred separately from the main pupil file.
- Schools should obtain proof that the new school/education setting has received the safeguarding file for any child transferring and then destroy any information held on the child in line with data protection guidelines (see Record keeping Guidance on Hertfordshire Grid for Learning for further information.)

4. THE GOVERNING BODY

The Governing Body has overall responsibility for ensuring that there are sufficient measures in place to safeguard the children in their establishment and comply with relevant legislation.

Kate Worden is the nominated governor for child protection appointed to take lead responsibility.

In particular the responsibilities of the Governing Body include:

- their contribution to inter-agency working, which includes providing a coordinated offer of early help when additional needs of children are identified
- ensuring that an effective child protection policy is in place, together with a staff behaviour policy
- ensuring staff are provided with Part One of Keeping Children Safe in Education (DfE 2018) – Appendix 1 and are aware of specific safeguarding issues
- ensuring that staff induction is in place with regards to child protection and safeguarding
- appointing an appropriate senior member of staff to act as the Lead Designated Senior Person. It is a matter for individual schools as to whether they choose to have one or more Deputy Designated Senior Person.
- ensuring that all of the Designated Senior Persons (including deputies) should undergo formal child protection training every two years (in line with LCSB guidance) and receive regular (annual) safeguarding refreshers (for example via e-bulletins, meeting other DSPs, or taking time to read and digest safeguarding developments)
- prioritising the welfare of children and young people and creating a culture where staff are confident to challenge senior leaders over any safeguarding concerns
- should ensure that children are taught about safeguarding, including online safety. Schools should consider this as part of providing a broad and balanced curriculum.
- ensuring appropriate filters and appropriate monitoring systems are in place to safeguard children from potentially harmful and inappropriate online material. Additional information to support governing bodies and proprietors is provided in Annex C of **Keeping Children Safe in Education(DFE 2018)**.
- Having a senior board level lead to take leadership responsibility for the organisation's safeguarding arrangements

5. WHEN TO BE CONCERNED

If staff have any concerns about a child's welfare, they should act on them immediately. If staff have a concern, they should follow this policy and follow the procedures laid out (see Section 9 – School Procedures). The designated safeguarding lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns.

Any staff member should be able to make a safeguarding referral to Children's Services if necessary.

All staff should be aware of the process for making referrals to Children's Services and for statutory assessments under the Children Act 1989, especially section 17 (children in need) and section 47 (a child suffering, or likely to suffer, significant harm - from abuse or neglect) that may follow a referral, along with the role they might be expected to play in such assessments.

Staff should not assume a colleague or another professional will take action and share information that might be critical in keeping children safe. They should be mindful that early information sharing is vital for effective identification, assessment and allocation of appropriate service provision.

Options will then include:

- managing any support for the child internally via the school own pastoral support processes;
- an early help assessment; or
- a referral for statutory services, for example as the child might be in need, is in need or suffering or likely to suffer significant harm from abuse or neglect.

Contextual Safeguarding

Safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside the school. All staff, but especially the designated safeguarding lead (or deputy) should be considering the context within which such incidents and/or behaviours occur. This is known as contextual safeguarding, which simply means assessments of children should consider whether wider environmental factors are present in a child's life that are a threat to their safety and/or welfare.

A child centred and coordinated approach to safeguarding

Safeguarding and promoting the welfare of children is **everyone's responsibility**. In order to fulfil this responsibility effectively, each professional should make sure their approach is **child centred**. This means that they should consider, at all times, what is in the best interests of the child.

Schools and their staff form part of the wider safeguarding system for children. This system is based on the principle of providing help for families to stay together where it is safe for the children to do so, and looking at alternatives where it is not, whilst acting in the **best interests** of the child at all times.

Children who may require early help (known as Families First in Hertfordshire)

Families First is Hertfordshire's programme of early help services for families. A directory of early help services is available at www.hertfordshire.gov.uk/familiesfirst and will help practitioners and families find information and support to prevent escalation of needs and crisis.

All staff should be aware of the **early help process**, and understand their role in identifying emerging problems, sharing information with other professionals to support early identification and assessment of a child's needs. It is important for children to receive the right help at the right time to address risks and prevent issues escalating. This also includes staff monitoring the situation and feeding back to the Designated Senior Person any ongoing/escalating concerns so that consideration can be given to a referral to Children's Services (Safeguarding and Specialist Services) if the child's situation doesn't appear to be improving.

If early help is appropriate, the designated safeguarding lead (or deputy) will generally lead on liaising with other agencies and setting up an inter-agency assessment as appropriate.

Any child may benefit from early help, but all school staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.

School staff members should be aware of the main categories of maltreatment: **physical abuse, emotional abuse, sexual abuse and neglect**. They should also be aware of the indicators of maltreatment and **specific safeguarding issues** so that they are able to identify cases of children who may be in need of help or protection.

All staff and volunteers should be concerned about a child if he/she presents with indicators of possible significant harm – see Appendix 1 for details.

Staff should also be aware of the indicators of specific safeguarding issues which can be found in Appendix 4.

Some key indicators are where the child:

- has any injury which is not typical of the bumps and scrapes normally associated with children's injuries;
- regularly has unexplained injuries;
- frequently has injuries (even when apparently reasonable explanations are given);
- gives confused or conflicting explanations are given on how injuries were sustained;
- exhibits significant changes in behaviour, performance or attitude;
- indulges in sexual behaviour which is unusually explicit and/or inappropriate to his or her age or development;
- discloses an experience in which he or she may have been significantly harmed, or gives other cause to believe that he or she may be suffering significant harm.
- Shows signs of neglect including (but not exhaustively) being unkempt, dirty, poorly clothed, hungry, over tired etc (see Appendix 1)
- Is absent from school for more than a couple of days without explanation or is regularly absent from school even with an explanation.

There are additional issues due to poor communication or isolation but we must not assume that indicators such as poor behaviour or mood swings are due to their impairment without further exploration.

Children with special educational needs and disabilities:

Additional barriers can exist when recognising abuse and neglect in this group of children.

This can include:

- ❖ Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's impairment without further exploration;
- ❖ Assumptions that children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs;
- ❖ Communication barriers and difficulties
- ❖ Reluctance to challenge carers, (professionals may over empathise with carers because of the perceived stress of caring for a disabled child)
- ❖ Disabled children often rely on a wide network of carers to meet their basic needs and therefore the potential risk of exposure to abusive behaviour can be increased.
- ❖ A disabled child's understanding of abuse.
- ❖ Lack of choice/participation
- ❖ Isolation

Peer on peer abuse

Education settings are an important part of the inter-agency framework not only in terms of identifying, evaluating and referring concerns to Children's Services and the Police, but also in the assessment and management of risk that the child or young person may pose to themselves and others in the education setting.

If one child or young person causes harm to another, this should not necessarily be dealt with as abuse. When considering whether behaviour is abusive, it is important to consider:

- Whether there is a large difference in power (for example age, size, ability, development) between the young people concerned; or
- whether the perpetrator has repeatedly tried to harm one or more other children; or
- Whether there are concerns about the intention of the alleged perpetrator.

All staff should be aware that safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

All staff should be aware that abuse is abuse and peer on peer abuse will never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”. Furthermore they should *recognise the gendered nature of peer on peer abuse (i.e. that it is more likely that girls will be victims and boys perpetrators), but that all peer on peer abuse is unacceptable and will be taken seriously.*

Woodfield School uses The Sexual Behaviours Traffic Light Tool by the Brook Advisory Service to help professionals; assess and respond appropriately to sexualised behaviour. The traffic light tool can be found at

<https://www.brook.org.uk/our-work/the-sexual-behaviours-traffic-light-tool>

This will be used by the Safeguarding Team if it deemed appropriate.

Guidance on responding to and managing sexting incidents can be found at:

http://www.thegrid.org.uk/info/welfare/child_protection/reference/index.shtml#sex

Staff should recognise that children are capable of abusing their peers and should not be tolerated or passed off as “banter” or “part of growing up”.

In order to minimise the risk of peer on peer abuse the school:

- Provides a developmentally appropriate PSHE curriculum which develops students understanding of acceptable behaviour and keeping themselves safe. For example understanding what is private and what is personal space.
 - Have systems in place for any student to raise concerns with staff, knowing that they will be listened to, believed and valued. Through, for example, noting any concerns via a Concern Form.
 - Ensure victims, perpetrators and any other child affected by peer on peer abuse will be supported.
 - Develops robust risk assessments where appropriate. For example a Risk Reduction Plan.
 - Have relevant policies in place (e.g. Intimate Care – see Section 1 - Introduction).
-
- **Where there is an allegation or concern that a child has abused others then the Safeguarding Team will follow Section 4.4 of the Hertfordshire Safeguarding Children Board Procedures Manual, ‘Children Who Abuse Others’:**

http://hertsscb.proceduresonline.com/chapters/p_chil_abuse.html

Staff should also refer to Part 5 of Keeping Children Safe in Education (DfE 2018) – ‘Child on child sexual violence and sexual harassment’:

<https://www.gov.uk/government/publications/keeping-children-safe-in-education--2>

6. DEALING WITH A DISCLOSURE

If a pupil discloses that he or she has been abused in some way, the member of staff should:-

- Listen to what is being said without displaying shock or disbelief
- Accept what is being said
- Allow the child to talk freely
- Reassure the child, but not make promises which it might not be possible to keep
- Never promise a child that they will not tell anyone - as this may ultimately not be in the best interests of the child.
- Reassure him or her that what has happened is not his or her fault
- Stress that it was the right thing to tell
- Listen, only asking questions when necessary to clarify
- Not criticise the alleged perpetrator
- Explain what has to be done next and who has to be told
- Make a written record (see Record Keeping)
- Pass the information to the Designated Senior Person without delay

SUPPORT

Dealing with a disclosure from a child, and safeguarding issues can be stressful. The member of staff/volunteer should, therefore, consider seeking support for him/herself and discuss this with the DSP.

If a school staff member receives a disclosure about potential harm caused by another staff member, they should see section 11 of this policy– *Allegations involving school staff/volunteers.*

7. RECORD KEEPING

All staff at Woodfield School should be confident of the processing conditions under the Data Protection Act 2018 and the GDPR which allow them to store and share information for safeguarding purposes, including information which is sensitive and personal, and should be treated as 'special category personal data'.

All concerns, discussions and decisions made and the reasons for those decisions should be recorded in writing. If in doubt about recording requirements staff should discuss with the designated safeguarding lead.

When a child has made a disclosure, the member of staff/volunteer should:

- Record as soon as possible after the conversation. Use the school record of concern sheet wherever possible. (Copies are in every classroom, outside the staffroom, by Meeting Room 2 or on the server (in Class Blanks).
- Record the date, time, place and any noticeable non-verbal behaviour and the words used by the child
- Draw a diagram to indicate the position of any injuries
- Record statements and observations rather than interpretations or assumptions
- Do not destroy the original records in case they are needed by a court

All records need to be given to the Designated Senior Person promptly. No copies should be retained by the member of staff or volunteer. If the DSP or Deputy DSPs cannot be contacted immediately, then put the records in a sealed envelope and hand it to the office. Let the office staff know it is for the Safeguarding Team. They will contact a member of the Team so it can be investigated and followed through immediately.

The Designated Senior Person will ensure that all safeguarding records are managed in accordance with the Education (Pupil Information) (England) Regulations 2005.

Where children leave the Woodfield, the Designated Senior Person will ensure their child protection file is transferred to the new school or college as soon as possible, ensuring secure transit, and confirmation of receipt should be obtained. This will be transferred separately from the main pupil file. If the child has an allocated social worker, they will also inform them of the change of school.

Any files transferred to Woodfield School and indicated as being a Safeguarding File will be given to a member of the Safeguarding Team.

In addition to the child protection file, the Designated Senior Person will also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving. For example, information that would allow the new school or college to continue supporting victims of abuse and have that support in place for when the child arrives.

8. CONFIDENTIALITY

Safeguarding children raises issues of confidentiality that must be clearly understood by all staff/volunteers in schools.

- All staff at Woodfield School, both teaching and non-teaching staff, have a responsibility to share relevant information about the protection of children with other professionals, particularly the investigative agencies (Children's Services: Safeguarding; Specialist Services and the Police).
- If a child confides in a member of staff/volunteer and requests that the information is kept secret, it is important that the member of staff/volunteer tell the child in a manner appropriate to the child's age/stage of development that they cannot promise complete confidentiality – instead they must explain that they may need to pass information to other professionals to help keep the child or other children safe.
- Staff/volunteers who receive information about children and their families in the course of their work should share that information on a need to know basis. The private lives of pupils, their families or staff/families is not for discussion in the staffroom or outside school. To do so could prejudice any enquiry and may be a disciplinary matter.

9. SCHOOL PROCEDURES AND RESPONSIBILITIES

Please see Appendix 3: What to do if you are worried a child is being abused: flowchart.

If any member of staff is concerned about a child, he or she must inform a member of the Safeguarding Team. The Team member will decide whether the concerns should be referred to Children's Services: Safeguarding and Specialist Services. If it is decided to make a referral to Children's Services: Safeguarding and Specialist Services this will be discussed with the parents, unless to do so would place the child at further risk of harm.

While it is the DSPs role to make referrals, any staff member can make a referral to Children's Services. If a child is in immediate danger or is at risk of harm (e.g. concern that a family might have plans to carry out FGM), a referral should be made to Children's Services and/or the Police immediately. Where referrals are not made by the DSP, the DSP should be informed as soon as possible.

Hertfordshire Children's Services (including out of hours) = 0300 123 4043

If a member of staff, in the course of their work in the profession, discovers that an act of Female Genital Mutilation (FGM) appears to have been carried out on a girl under the age of 18 the **teacher** must report this to the police. **This is a mandatory reporting duty.** See Appendix 1- Keeping Children Safe in Education (DfE 2018): Annex A for further information.

If the allegations raised are against other children, the school should follow section 4.4 of the Hertfordshire Safeguarding Children Board Procedures Manual – Children Who Abuse Others. Please see the Anti-Bullying Policy for more details on procedures to minimise the risk of peer on peer abuse.

The member of staff must record information regarding the concerns on the same day. The recording must be a clear, precise, factual account of the observations. All classes should have copies. There are copies outside the Staff Room, by Meeting Room 2. Alternatively, the forms can be found in Class Blanks on the server.

Particular attention will be paid to the attendance and development of any child about whom the school has concerns, or who has been identified as being the subject of a child protection plan and a written record will be kept.

If a pupil who is/or has been the subject of a child protection plan changes school, the Designated Senior Person will inform the social worker responsible for the case and transfer the appropriate records to the Designated Senior Person at the receiving school, in a secure manner, and separate from the child's academic file.

The Designated Senior Person is responsible for making the senior leadership team aware of trends in behaviour that may affect pupil welfare. If necessary, training will be arranged.

All persons who work with children, have a duty to refer safeguarding concerns to the DSP/ Deputy DSP. However if:

- they feel concerns are not taken seriously at Woodfield School, or
- action to safeguard the child is not taken by professionals or
- the child is considered to be at continuing risk of harm,

then that person should speak firstly to a member of the Safeguarding Team or subsequently contact Hertfordshire Children's Services (including out of hours) on 0300 123 4043.

10. COMMUNICATION WITH PARENTS

The DSP at Woodfield School will ensure the Child Protection Policy is available publicly either via the school website or by other means.

Parents should be informed prior to referral, unless it is considered to do so might place the child at increased risk of significant harm by:

- The behavioural response it prompts e.g. a child being subjected to abuse, maltreatment or threats / forced to remain silent if alleged abuser informed;
- Leading to an unreasonable delay;
- Leading to the risk of loss of evidential material;

(The school may also consider not informing parent(s) where this would place a member of staff at risk).

Where reasonably possible Woodfield School will hold more than one emergency contact number for their pupils and students.

11. ALLEGATIONS INVOLVING SCHOOL STAFF

An allegation is any information which indicates that a member of staff/volunteer may have:

- Behaved in a way that has, or may have harmed a child
- Possibly committed a criminal offence against/related to a child
- Behaved towards a child or children in a way which indicates s/he would pose a risk of harm if they work regularly or closely with children

This applies to any child that the member of staff/volunteer may have contact with within their personal, professional or community life.

To reduce the risk of allegations, all staff should feel able to raise concerns about poor or unsafe practice and potential failures in the school's safeguarding arrangements. They should be aware of the Whistleblowing policy for such concerns and raise things with the DSP or Headteacher. Where concerns are about the Headteacher, this should be referred to the Chair of Governors, Kate Worden. Contact details are available from the office. In the absence of the Chair of Governors, the Vice Chair should be contacted. The Vice Chair in this school is Paul Lines. Contact details are available from the office.

The person to whom an allegation is first reported should take the matter seriously and keep an open mind. S/he should not investigate or ask leading questions if seeking clarification; it is important not to make assumptions. Confidentiality should not be promised and the person should be advised that the concern will be shared on a 'need to know' basis only.

Actions to be taken include making an immediate written record of the allegation using the informant's words - including time, date and place where the alleged incident took place, brief details of what happened, what was said and who was present. This record should be signed, dated and immediately passed on to the Head Teacher.

Any member of staff who is aware of a safeguarding issue **MUST** report it and a failure to do so will be regarded as a potential disciplinary matter.

The Head Teacher will not investigate the allegation herself, or take written or detailed statements, but will assess whether it is necessary to refer the concern to the Local Authority Designated Officer (LADO):

Children's Services – 0300 1234 043

SOOHS (Out of Hours Service-Children's Services) – 0300 1234 043

If the allegation meets any of the three criteria set out at the start of this section, contact should always be made with the Local Authority Designated Officer (LADO) without delay.

If it is decided that the allegation requires a child protection strategy meeting or joint evaluation meeting, this will take place in accordance with section 4.1 of the Hertfordshire Safeguarding Children Board Inter-agency Child Protection and Safeguarding Children Procedures.

If it is decided it does not require a child protection strategy meeting or joint evaluation meeting, the LADO will provide the employer with advice and support on how the allegations should be managed.

The Head Teacher should, as soon as possible, **following briefing** from the Local Authority Designated Officer, inform the subject of the allegation.

For further information see:

HSCB Inter-agency Child Protection and Safeguarding Children Procedures (Electronic) Section 4.1 Managing Allegations Against Adults who work with Children and Young People

Where a staff member feels unable to raise an issue with their employer/through the whistleblowing procedure or feels that their genuine concerns are not being addressed, other whistleblowing channels may be open to them:

- Children's Services 0300 123 4043
- NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00 AM to 8:00 PM, Monday to Friday and Email: help@nspcc.org.uk

Safer working practice

To reduce the risk of allegations, all staff should be aware of safer working practice and should be familiar with the guidance contained in the staff handbook/ school code of conduct / staff behaviour policy and Safer Recruitment Consortium document ***Guidance for safer working practice for those working with children and young people in education settings (September 2015)*** available at http://www.thegrid.org.uk/info/welfare/child_protection/allegations/safe.shtml

The document seeks to ensure that the responsibilities of school leaders towards children and staff are discharged by raising awareness of illegal, unsafe, unprofessional and unwise behaviour. This includes guidelines for staff on positive behaviour management in line with the ban on corporal punishment (School Standards and Framework Act 1998). Please see the school's behaviour management policy for more information.

APPENDIX 1: KEEPING CHILDREN SAFE IN EDUCATION (DfE 2018)
Part One: Information for all school staff
Annex A: Further information

On publication of this Child Protection Policy (July 2018), the CPSLO Service have therefore decided to provide the hyperlink only to Keeping Children Safe in Education in this policy rather than the document in its entirety, due to the potential for updates to the content.

All staff should have access and have read Part 1 and Annex A (which provides further information specific forms of abuse and safeguarding issues). of this statutory guidance. They should also have the opportunity to seek clarity from designated staff for any content.

This is to assist staff to understand and discharge their role and responsibilities as set out in this guidance.

We highly recommend that staff are asked to sign to say they have read these sections (please see Appendix 2) and should subsequently be re-directed to these documents again should any changes occur.

APPENDIX 2: DECLARATION FOR STAFF
Child Protection Policy and Keeping Children Safe in Education (DfE 2018)

Woodfield School Academic Year 2018-19

Please sign and return to Ian Burgess by _____

I, _____ have read and am familiar with the contents of the following documents and understand my role and responsibilities as set out in these document(s):

- (1) The School's Child Protection Policy
- (2) **Part 1 and Annex A** of '**Keeping Children Safe in Education**' DfE Guidance , 2018

I am aware that the DSPs/DSLs are:

.....

.....

.....

and I able to discuss any concerns that I may have with them.

I know that further guidance, together with copies of the policies mentioned above, are available
..... (where).

Signed _____ Date _____

APPENDIX 3: WHAT TO DO IF YOU ARE WORRIED A CHILD IS BEING ABUSED: ADVICE FOR PRACTITIONERS (DfE 2015)
Flowchart

Be alert

- Be aware of the signs of abuse and neglect
- Identify concerns early to prevent escalation.
- Know what systems the school have in place regarding support for safeguarding e.g. induction training , staff behaviour policy / code of conduct and the role of the Designated Safeguarding Lead (DSP) .

Question behaviours

- Talk and listen to the views of children, be non-judgemental.
- Observe any change in behaviours and question any unexplained marks / injuries
- To raise concerns about poor or unsafe practice , refer to the HT or principal, if the concerns is about the HT or Principal, report to Chair of Governors. Utilise whistleblowing procedure.

Ask for help

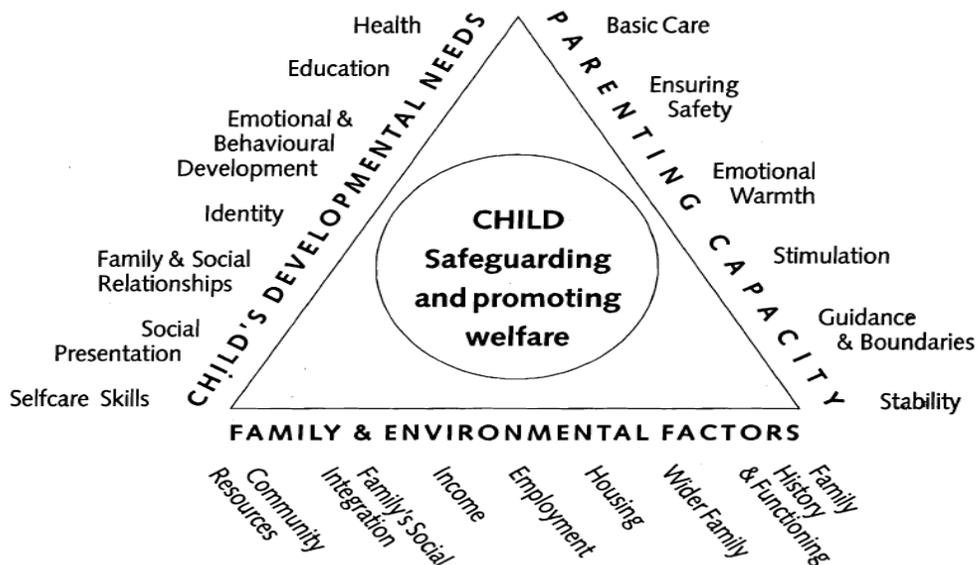

- Record and share information appropriately with regard to confidentiality
- If staff members have concerns, raise these with the school's Designated Safeguarding Lead (DSP)
- Responsibility to take appropriate action, do not delay.

Refer

- DSP will make referrals to children services but in an emergency or a genuine concern that appropriate action has not been taken, staff members can speak directly to Children's Services on 03001234043 .

APPENDIX 4: INDICATORS OF ABUSE AND NEGLECT

The framework for understanding children's needs:

Working Together to Safeguard Children (DFE, 2015)

Physical abuse	
A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.	
Child	
Bruises – shape, grouping, site, repeat or multiple	Withdrawal from physical contact
Bite-marks – site and size	Aggression towards others, emotional and behaviour problems
Burns and Scalds – shape, definition, size, depth, scars	
Improbable, conflicting explanations for injuries or unexplained injuries	Frequently absent from school
Untreated injuries	Admission of punishment which appears excessive
Injuries on parts of body where accidental injury is unlikely	Fractures
Repeated or multiple injuries	Fabricated or induced illness -
Parent	Family/environment
Parent with injuries	History of mental health, alcohol or drug misuse or domestic violence.
Evasive or aggressive towards child or others	Past history in the family of childhood abuse, self-harm, somatising disorder or false allegations of

	physical or sexual assault
Explanation inconsistent with injury	Marginalised or isolated by the community.
Fear of medical help / parents not seeking medical help	Physical or sexual assault or a culture of physical chastisement.
Over chastisement of child	

Emotional abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as over protection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Child

Self-harm	Over-reaction to mistakes / Inappropriate emotional responses
Chronic running away	Abnormal or indiscriminate attachment
Drug/solvent abuse	Low self-esteem
Compulsive stealing	Extremes of passivity or aggression
Makes a disclosure	Social isolation – withdrawn, a 'loner' Frozen watchfulness particularly pre school
Developmental delay	Depression
Neurotic behaviour (e.g. rocking, hair twisting, thumb sucking)	Desperate attention-seeking behaviour

Parent

Family/environment

Observed to be aggressive towards child or others	Marginalised or isolated by the community.
Intensely involved with their children, never allowing anyone else to undertake their child's care.	History of mental health, alcohol or drug misuse or domestic violence.
Previous domestic violence	History of unexplained death, illness or multiple surgery in parents and/or siblings of the family
History of abuse or mental health problems	Past history in the care of childhood abuse, self harm, somatising disorder or false allegations of physical or sexual assault
Mental health, drug or alcohol difficulties	Wider parenting difficulties
Cold and unresponsive to the child's emotional needs	Physical or sexual assault or a culture of physical chastisement.
Overly critical of the child	Lack of support from family or social network.

Neglect

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- protect a child from physical and emotional harm or danger;
- ensure adequate supervision (including the use of inadequate care-givers); or
- ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Child

Failure to thrive - underweight, small stature	Low self-esteem
Dirty and unkempt condition	Inadequate social skills and poor socialisation
Inadequately clothed	Frequent lateness or non-attendance at school
Dry sparse hair	Abnormal voracious appetite at school or nursery
Untreated medical problems	Self-harming behaviour
Red/purple mottled skin, particularly on the hands and feet, seen in the winter due to cold	Constant tiredness
Swollen limbs with sores that are slow to heal, usually associated with cold injury	Disturbed peer relationships
Parent	Family/environment
Failure to meet the child's basic essential needs including health needs	Marginalised or isolated by the community.
Leaving a child alone	History of mental health, alcohol or drug misuse or domestic violence.
Failure to provide adequate caretakers	History of unexplained death, illness or multiple surgery in parents and/or siblings of the family
Keeping an unhygienic dangerous or hazardous home environment	Past history in the family of childhood abuse, self harm, somatising disorder or false allegations of physical or sexual assault
Unkempt presentation	Lack of opportunities for child to play and learn
Unable to meet child's emotional needs	Dangerous or hazardous home environment including failure to use home safety equipment; risk from animals
Mental health, alcohol or drug difficulties	

Sexual abuse

Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Child

Self-harm - eating disorders, self-mutilation and suicide attempts	Poor self-image, self-harm, self-hatred
Running away from home	Inappropriate sexualised conduct
Reluctant to undress for PE	Withdrawal, isolation or excessive worrying
Pregnancy	Sexual knowledge or behaviour inappropriate to age/stage of development, or that is unusually explicit
Inexplicable changes in behaviour, such as becoming aggressive or withdrawn	Poor attention / concentration (world of their own)
Pain, bleeding, bruising or itching in genital and /or anal area	Sudden changes in school work habits, become truant
Sexually exploited or indiscriminate choice of sexual partners	
Parent	Family/environment
History of sexual abuse	Marginalised or isolated by the community.
Excessively interested in the child.	History of mental health, alcohol or drug misuse or domestic violence.
Parent displays inappropriate behaviour towards the child or other children	History of unexplained death, illness or multiple surgery in parents and/or siblings of the family
Conviction for sexual offences	Past history in the care of childhood abuse, self harm, somatising disorder or false allegations of physical or sexual assault
Comments made by the parent/carer about the child.	Grooming behaviour
Lack of sexual boundaries	Physical or sexual assault or a culture of physical chastisement.
