

Dentist story

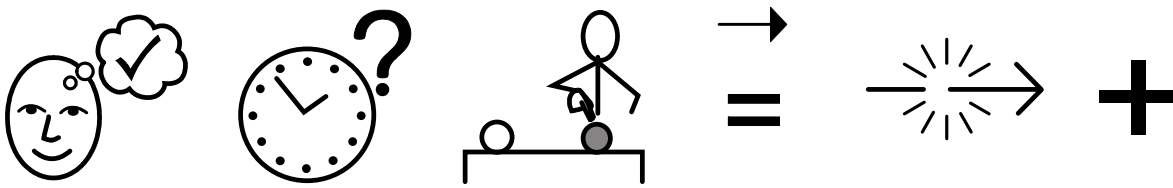

Soon it will be time for me to go

to the Dentist. My family and carer's

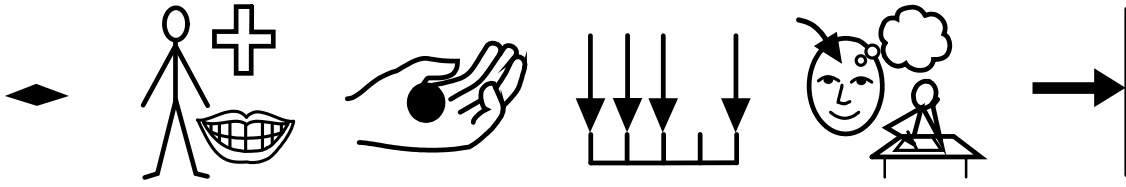

know when this will be happening and

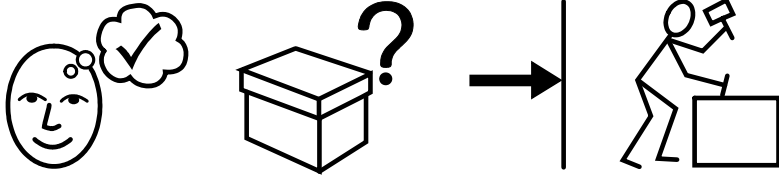

will tell me.

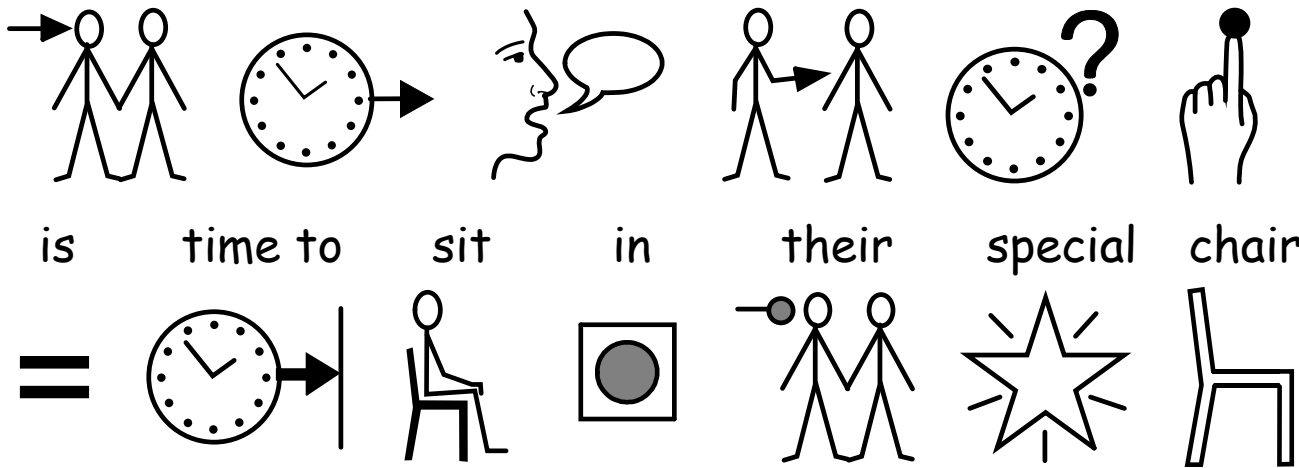

A Dentist has lots of training to

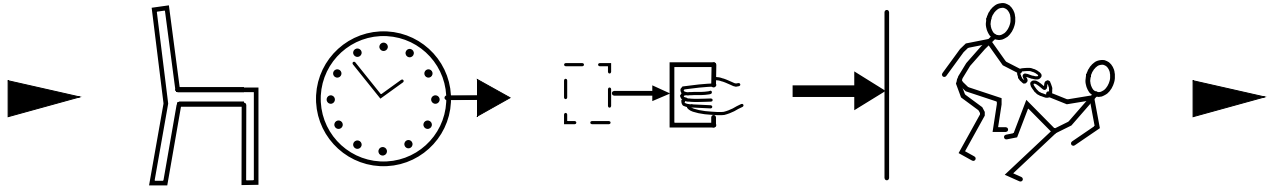

know what to do.

They will tell you when it is time to sit in their special chair.

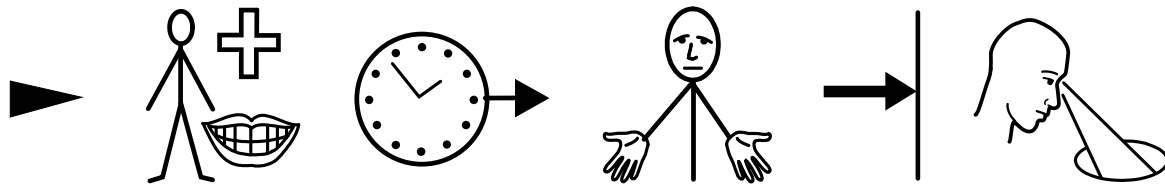

The chair will move to help the

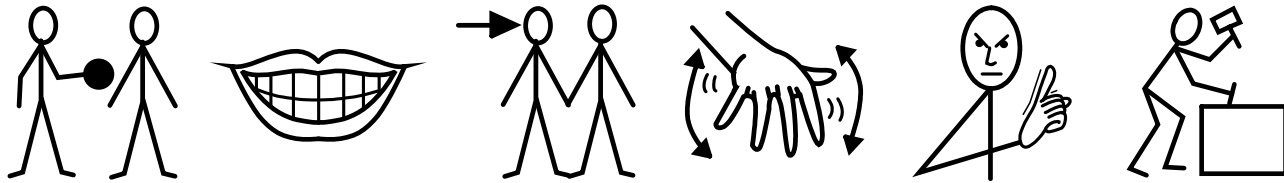

Dentist to do his job.

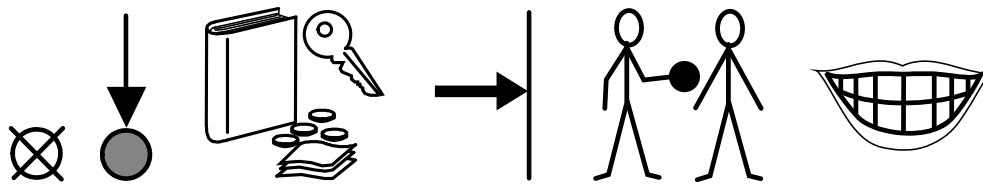

The Dentist will need to look into

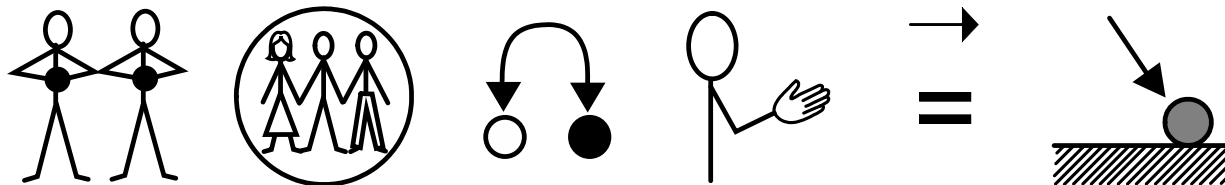

your mouth. They could have to do

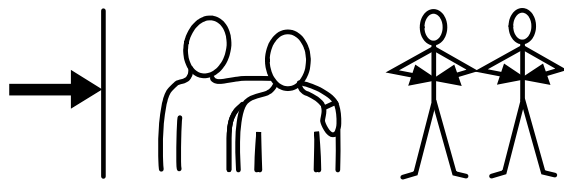

other things to your teeth.

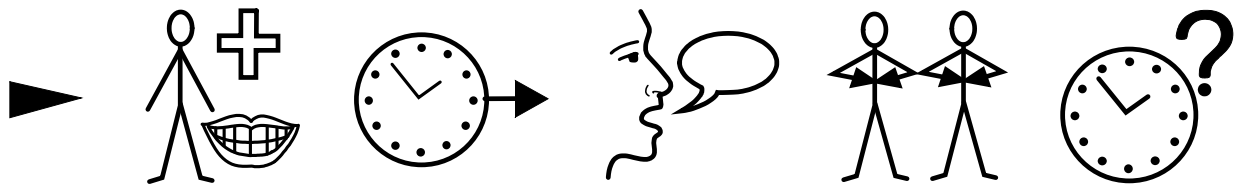

Our family or carer will be there

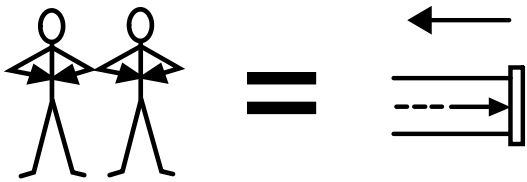

to look after us.

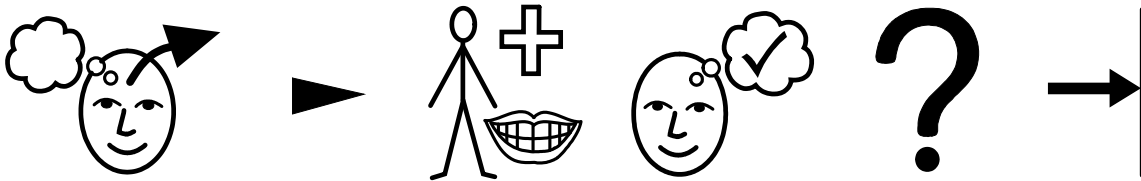

The Dentist will tell us when

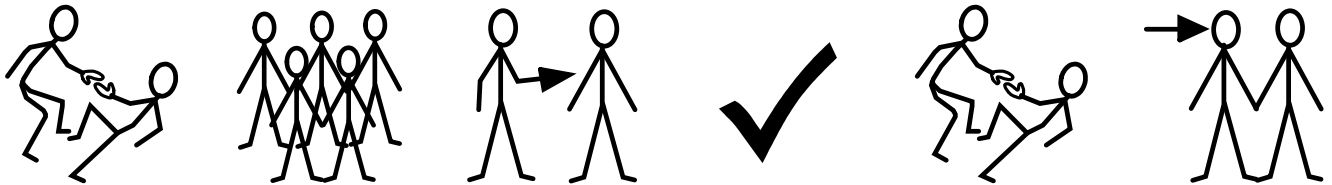

we are finished.

Remember, the Dentist knows how to

help people. You can help them

by trying to be calm.
