

Our

story

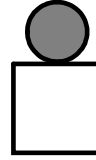

about

going

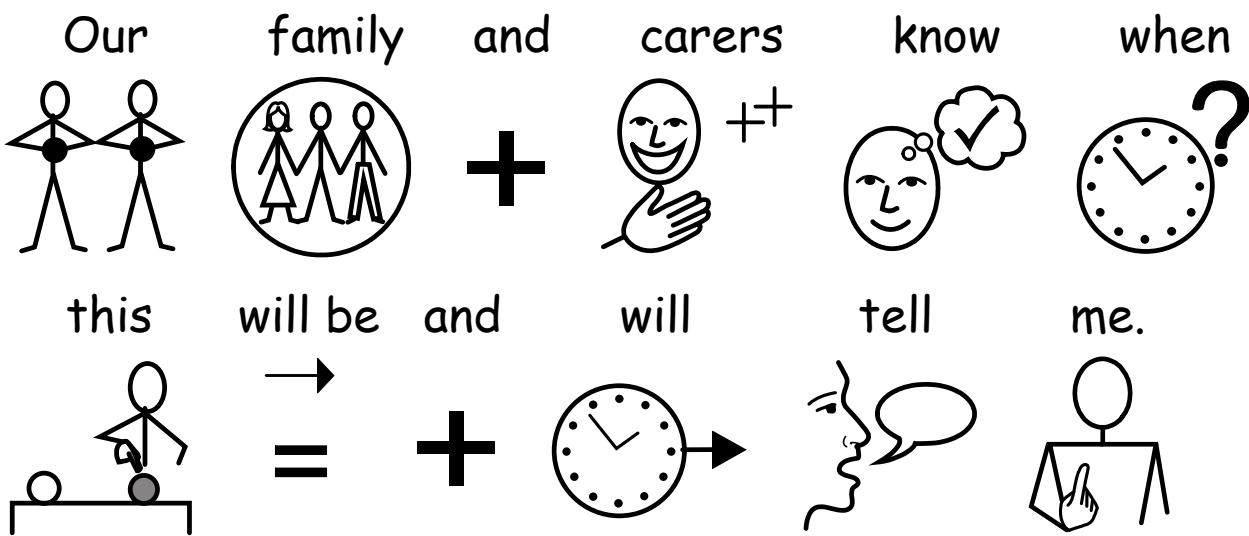

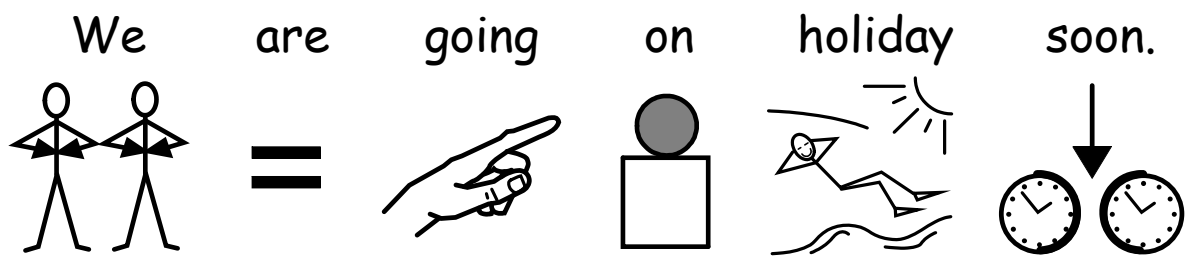

on

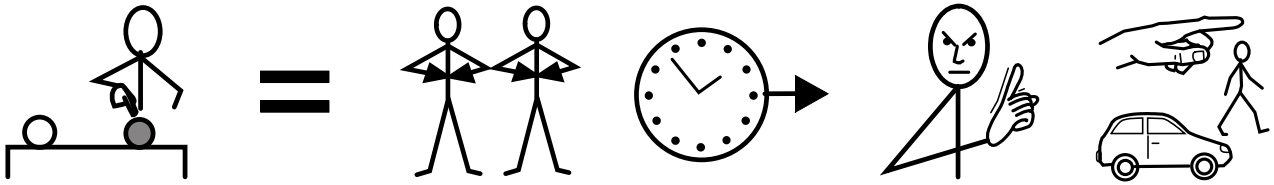

holiday.

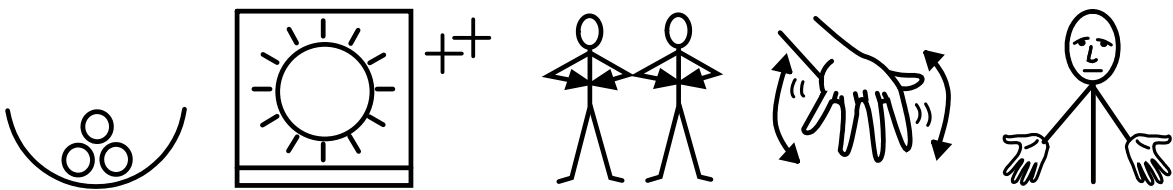

This means we will have to travel

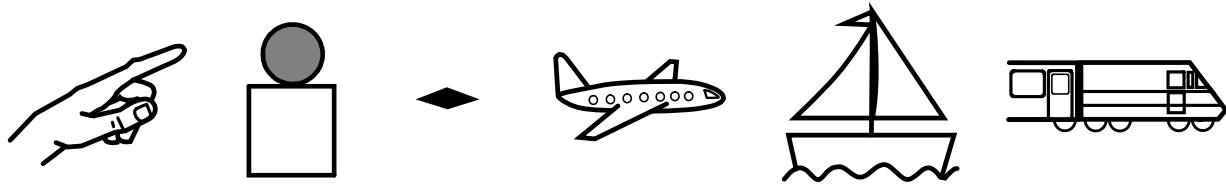

to a different place and stay there for

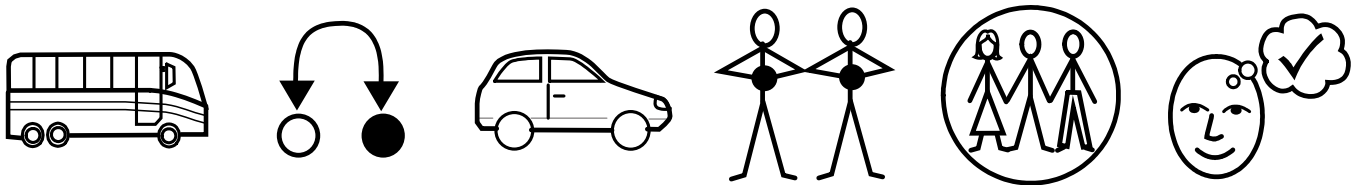

a few days. We could need

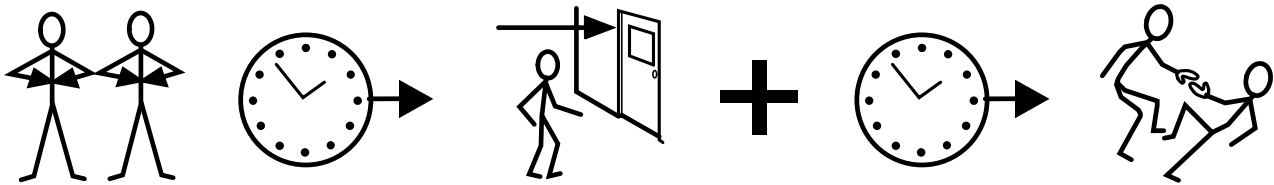

to go on a plane, boat, train.

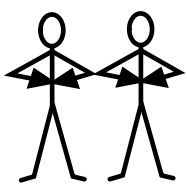

coach or car. Our family know how

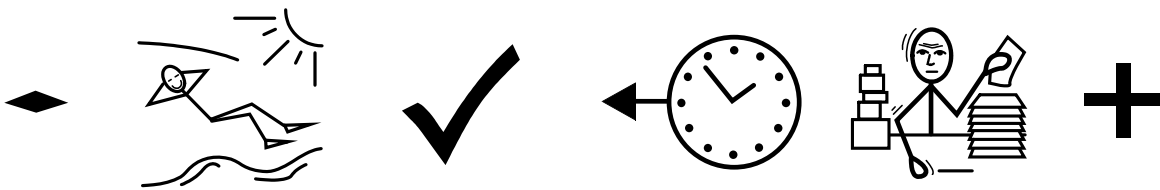

we will get there and will help

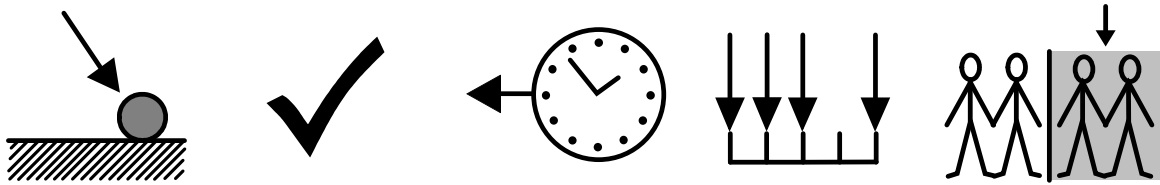

us.

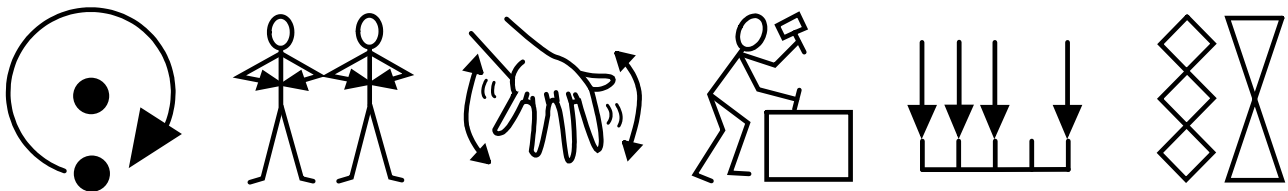

A holiday can be busy and

there can be lots of other people

around. We could do lots of different

things.

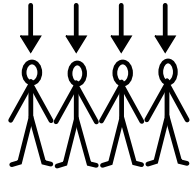

I can

help

everyone

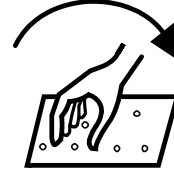

if

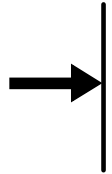

I

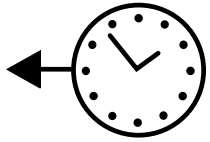

try

to

be

calm

and

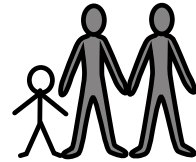

listen

to

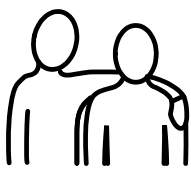

adults

who

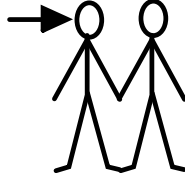

care for

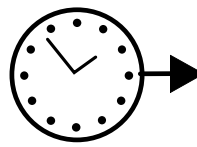

me.

They

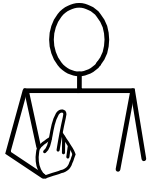

will

tell

me

when

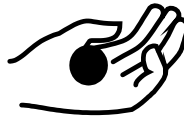

the

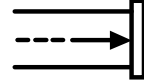

holiday

has

finished and

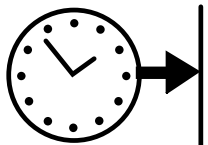

it

will be

time to

go

home.
