Woodfield School Governance Meetings Academic Year 2025/2026

At its FGB on the 24th March 2025, Woodfield School Governors agreed to adopt the circle method of governance. This has eliminated the need for separate Committees as matters will be discussed as part of the FGB business, and focussed working groups will be established as required.

In brackets is name of SLT member who will give a presentation from their area of responsibility.
