Would you like to work in a school where enjoyment, fun and laughter is encouraged and where everyone's achievements are valued and celebrated?

Woodfield is a successful and friendly Outstanding Special School for children and young people aged 3-19 with severe and profound learning needs. Many pupils have additional complex needs including autistic spectrum disorders, epilepsy, physical and sensory impairments; many need regular medical intervention.

We need a permanent part-time 0.6 teacher (3 full days to be negotiated) to join our team of friendly supportive colleagues at this Special School in Hemel Hempstead starting in January 2022.

The successful candidate will be able to create an inspiring and stimulating learning environment and have a caring approach, in keeping with the ethos and values of Woodfield School. They will also have the ability to work as part of a supportive team and have excellent interpersonal and organisational skills.

All staff are given regular opportunities for continuing professional development throughout their time at Woodfield. Previous experience with special needs children would be beneficial but not essential, as consideration will be given to applicants who can demonstrate they have a real interest in working with our very special pupils.

"Woodfield School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All post holders are subject to a satisfactory enhanced Disclosure and Barring Service (DBS) check, including the barred list, as well as all other pre-appointment checks in accordance with Keeping Children Safe in Education (2021)".

We are able to offer interested applicants the opportunity to visit our school on **Wednesday 13th October 2021**. Please telephone Sheila Batchelor on 01442 253476 if you wish to attend.
